**Travel Nursing  
Visa's for those  
under 30**

## What are some of the benefits of the Working Holiday Visa?

- **Hourly Rates:** Approximately \$40-\$50 AUD per hour. In Australia, payrates vary from state to state and you are rewarded for your years of experience. Superannuation (similar to the 401k in America) is also paid which can be collected after your departure from Australia. Generous incentives are on offer at various times as well
- **Work Whenever You Like:** Flexible Agency Work (Big Cities – you work when you like)
- **Metro Block Bookings:** Advanced booked shifts for an extended period
- **Travel contracts:** Rural and Regional placements across Australia generally up to 13 weeks, Accommodation and Travel subsidies provided
- **Largest private and public collection of hospitals:** HCA is one of the few national healthcare companies and are exclusive and preferred providers on tender for the largest collections of Hospitals across Australia
- **Working Holiday Visa is valid for 12 months with an option to extend**
- **Free Flight Incentive\***
